2018-19 IMPACT REPORT

Fighting for the education, financial stability and health of every person in our community.

United Way
of Greater Topeka
Thank you for joining the fight for the education, financial stability and health of everyone in our community by donating to United Way of Greater Topeka during our 2018-19 campaign year.

Last year 456 new donors joined the fight for a better community, even in the face of new tax laws that have affected charitable deductions for individual giving across the country. Twice as many of you stepped up to make a Tocqueville-level investment in the future of our families and children. Corporate gifts, including matches to employee giving, rose by more than $30,000.

Your heart is showing.

Because of you, we were able to create brand new tutoring opportunities in three school districts serving 263 students. The relationships that have been developed with these districts will help us better understand the effectiveness of tutoring interventions and how to work together to create an approach that best fits the needs of an individual school.

Because of you, we are able to continue the hard work of collective impact—bringing diverse and established partners together in new ways that will improve service and ultimately make it easier to help those needing a hand up.

Because of you, we expanded our designation list to help community partners whose work strives toward the same goals but who may not work in the specific strategies currently being funded.

Our community is experiencing unprecedented need, and there are many trusted agencies worthy of your contributions. United Way works to bring more partners to the impact table, whether through grants, collaborations, task forces or volunteer opportunities. Thank you for supporting this community-building work last year, and thank you for saying yes when the opportunity comes around this year.

Please pledge loudly this year to JOIN THE FIGHT!

Jessica Lehnherr
President & CEO
United Way of Greater Topeka
### EARLY EDUCATION
- High-quality early learning opportunities with pre-literacy, social-emotional, and numeracy components.
- Increase access to early education for those at risk.
- Home visits that help develop school readiness traits.
- School readiness education for early childhood providers.
- Summer enrichment programs that enhance pre-literacy/school readiness.

### ON-GRADE ACHIEVEMENT
- One-to-one or small-group interventions with qualified adult tutors.
- Increase access to support, including school-based coordinators.
- Increase self-esteem, self-worth, social skills and life skills while also giving students the knowledge to avoid risky behavior.
- Improve school attendance by addressing individual/family needs.
- Provide after-school/summer enrichment to prevent summer learning loss.

### FINANCIAL STABILITY
- Increase access to/participation in training and job-skill development.
- Connect low-income families and individuals to long-term, consistent financial mentors.
- Provide evidence-based, one-to-one and/or group budgeting and money management training.
- Increase the number of youth who understand financial literacy concepts like finance, budgeting, taxes and student loans.

### HEALTH
- Improve access to healthy foods and beverages.
- Increase opportunities for physical activity.
- Advocate for positive changes to local food systems.

### BASIC NEEDS PARTNERS (Food, Rent/Utilities, Healthcare and Prescription Assistance, Safety from Domestic Violence)

EARLY EDUCATION

GOAL: CHILDREN ARE READY TO ENTER KINDERGARTEN

61,757 BOOKS PROVIDED TO CHILDREN UNDER 6 YEARS OLD*

735 CHILDREN ENROLLED IN HIGH-QUALITY EARLY EDUCATION PROGRAMS

$416,250 UNITED WAY DONOR DOLLARS INVESTED

TDC Learning Centers: Connecting the Dots

In the Pre-K room, R. was battling a variety of social-emotional and behavioral issues. Her parents were on board with TDC’s referrals and had Family Service & Guidance Center get involved as well. These meetings resulted in recommendations for doctor appointments and intensive testing at Children’s Mercy in Kansas City. The doctors actually determined that R. was having seizures.

Thanks to the intervention of her preschool teachers, R. now takes medication to control her seizure activity. Adjusting to medication was difficult, but R. has made improvements socially, emotionally, and behaviorally. Her teachers say Miss R. is a ray of sunshine and has made so much progress. She is a polite, sweet, and caring little girl who is prepared to start kindergarten in large part thanks to teachers who did more than teach letters and numbers.

$3 million IN EARLY EDUCATION GRANTS MANAGED ANNUALLY BY UNITED WAY OF GREATER TOPEKA

79% OF STUDENTS SERVED ENTER KINDERGARTEN WITH SCHOOL READINESS SKILLS

* Books provided through Dolly Parton’s Imagination Library and UWGT’s Junior Leader Reader program.

ON-GRADE ACHIEVEMENT

GOAL: STUDENTS STAY ON TRACK IN ELEMENTARY READING AND MATH

450 CHILDREN SERVED IN TUTORING AND SCHOOL SUPPORT PROGRAMS

74% REDUCTION IN SCHOOL BEHAVIORAL REFERRALS AMONG STUDENTS SERVED

$306,136 UWGT DONOR DOLLARS INVESTED

USD 450 Tecumseh North, Specialized Tutoring

J. is the perfect example of the successes of this program. He came into 1st grade reading at mid-Kindergarten level and hating reading. His mom emailed his teachers within two weeks of the program telling them that she had seen such a change in J. He was requesting to be read to at home and couldn’t wait to stay for Book Club the following day. Since his attitude towards reading improved, he wanted to read his homework sent home by his classroom teacher. He left 1st grade reading at exactly the level he was supposed to, and he now loves reading!

68% IMPROVEMENT IN CHRONIC ABSENCES AMONG STUDENTS IN UNITED WAY SUPPORTED INTERVENTIONS

263 CHILDREN SERVED IN NEW TUTORING INITIATIVES AT LOGAN, TECUMSEH NORTH AND MEADOWS ELEMENTARIES

CIS-FutureNow Finance, Youth Financial Literacy (It’s for teachers too!)

Creating a new generation of financially stable adults starts with today’s teens. Impact partner Communities in Schools of Mid-America brings the FutureNow: Finance simulation to schools with the help of community volunteers. They measure the students’ awareness of personal finance before the event and again after, and they ask the participants to share what they have learned. Teachers have shared how this information has translated into students taking their academic work more seriously, improving study habits and setting goals related to higher education.

This year CIS added Rossville Jr/Sr High School to its schedule (in addition to Topeka High, Highland Park and Topeka West). The students and school staff were very welcoming and excited to host this event. In fact, something rather unique took place in Rossville – a few teachers participated in the simulation event. These teachers were in their mid-twenties and felt that they too could learn something from FNF. The feedback received from the teachers was just as impactful as the feedback from the students. Several teachers said, “I wish I learned this information when I was in school. It would have made my early twenties a lot easier.”

$1,385,100
IN TAX PREPARATION FEES SAVED BY LOW-INCOME AND SENIOR TAXPAYERS USING VITA/AARP FREE TAX FILING ASSISTANCE SUPPORTED BY A $5,000 UWGT INVESTMENT
2018 was the first year UWGT implemented a board-approved Policy Agenda for issue advocacy at the state and local levels. We also support federal advocacy that is consistent with United Way Worldwide priorities. This agenda is part of a comprehensive effort to ensure child and youth success, promote financial stability and self-sufficiency, support healthy individuals and neighborhoods, and ensure a solid foundation for our community. That solid foundation includes basic needs like food.

Our advocacy and health work intersected over the past 18 months as United Way oversaw the planning of a new Shawnee County Farm and Food Advisory Council (SCFFAC). The SCFFAC will bring together diverse public and private stakeholders to improve access to locally grown and healthy foods and strengthen our community food system.

The SCFFAC will:

• Identify and recommend policy initiatives;
• Educate about healthy and locally produced foods;
• Enhance economic development related to the local food system;
• Increase consistent and equitable access to affordable, nutritionally adequate, culturally relevant, and safe food for all Shawnee County residents;
• Investigate ways to preserve and sustain local resources;
• Coordinate and collaborate with existing programs and resources and other county and state food policy organizations;
• Support local producers, processors, and distributors of food;
• Increase utilization of healthy and locally produced foods in businesses and institutions.

The Council will begin meeting in the second half of 2019.

United Way provides the free FamilyWize prescription discount card. FamilyWize negotiates drug prices with local and national pharmacies and can help bridge gaps in coverage for those with a prescription benefit or without.

**Health Impact Report**

*FamilyWize and United Way have partnered to help 11 million people save more than $1 billion on the prescription medications they need.*

### Impact Locally on Mental Health

- Mental health is essential to everyone’s overall health and well-being.
- Estimates suggest that only half of people with mental illnesses receive treatment. Psychiatric medications are an important part of treatment for many people who live with a mental illness, but the price can often be an obstacle.

- In 2016, there were an estimated 44.7 million adults aged 18 or older in the United States with AMI.

- $ Saved: $435,795
- People Helped: 3,406
- Average Savings: 49%

**Health Impact Report**

**BASIC NEEDS**

Basic needs underpin all of UWGT’s impact areas by helping those in crisis with food, rent/utilities, safety from domestic violence, and health care/prescription access, as well as Christmas Bureau in Shawnee and Jackson counties.

**WHAT YOU MADE POSSIBLE IN OUR COMMUNITY**

**JACKSON COUNTY**

- **FOOD**: 4,022
- **RENT/UTILITIES**: 170
- **PRESCRIPTION ASSISTANCE**: 76

*The most important number of all is 1... each one that is helped, each individual, matters.*

**CHRISTMAS BUREAU**

**TO DATE UWGT TOTAL INVESTMENT (2012-2018)**: $34,500

United Way is honored to support the Christmas Bureau in Jackson County. Food and essentials go to Jackson Countians in need, including 55 seniors, 129 families, and 370 children who receive three toys apiece. Christmas Bureau served more families and more children in 2018 than in 2017.

This year’s $2,500 investment brought the five-year total Christmas Bureau investment to $34,500 of holiday help.

**1,728** SHAWNEE COUNTY HOUSEHOLDS ADOPTED

**408** ADOPTERS

**6,049** INDIVIDUALS, INCLUDING 3,354 CHILDREN AND 2,695 ADULTS

**4,443**
VOLUNTEERING

3,435 volunteers

United Way is working to become THE connection for volunteering in and around Shawnee, Jefferson and Jackson counties.

Corporate Volunteering
- **Team Building with a Purpose:** Engaging employees strengthens talent retention, boosts morale and provides leadership opportunities.
- **Business Visibility:** Community involvement helps employers reach a broader audience, improving client relationships and brand recognition.
- **Community Credit:** Identifies businesses as industry and community leaders.

$850,348 of volunteer labor

Individual Volunteering
- Connecting nonprofits with volunteers who share their passion.
- Tracking our entire community’s investment in volunteering through TopekaVolunteers.org
- Helping individuals recognize the true community value of volunteer engagement.

1,076 Nancy Perry Day of Caring Volunteers

89% of employees surveyed in 2017 believed companies that sponsor volunteer activities offer a better overall working environment than those that do not.

Collaboration/Collective Impact

As a leader and convener, United Way of Greater Topeka works to bring partners together for the good of the community. We share goals and data to create better conditions for the community as a whole. UWGT serves as the fiscal agent for early education grants totalling nearly $3 million annually. We are a Community Champion and program manager for Dolly Parton’s Imagination Library and the lead for the Shawnee County Campaign for Grade-Level Reading.

Dolly Parton’s Imagination Library (Shawnee County)
Providing a free book every month to kids from birth to their 5th birthday to improve school success

Year 2 Results
Total Enrolled = 4,866 (April 2018-March 2019), 41% of Shawnee County children under 5 years old

Do you know any child in your zip code who should enroll?

Age of Children
- 0-1 year old
- 1-2 years old
- 2-3 years old
- 3-4 years old
- 4-5 years old

Percent of Children Signed Up by Zip Code

- 0-1 year old: 690
- 1-2 years old: 821
- 2-3 years old: 1,060
- 3-4 years old: 1,116
- 4-5 years old: 1,179

Kansas Preschool Pilot Grant
(Convener, Fiscal Agent)
The Kansas Preschool Pilot (KPP) is an “evidence-based program focused on implementing curriculum, instruction, and assessment practices that, when implemented with fidelity, prevent later academic and behavioral challenges in elementary and secondary educational years.” The KPP grant supports children aged 3 through 5 who are not eligible for kindergarten. At least 50% of the children enrolled in the Kansas Preschool Pilot must meet at least one of the at-risk criteria.

Capital Area Successful Start
(Fiscal Agent)
Capital Area Successful Start (CASS) is the Shawnee County collaborative that receives funding from the Kansas Children’s Cabinet and delivers services to at-risk children in our county.

This funding is part of the Master Tobacco settlement dollars that flow into our state and utilized to support efforts focused on school readiness. All efforts funded by the Kansas Children’s Cabinet align with the Blueprint for Early Childhood. Shawnee County receives this funding because of the number of at-risk children in our community and the low test scores reported by USD 501 Topeka Public Schools.
FINANCIALS

Numbers shown are unaudited. Audit reports and IRS 990 filings are posted on our website as soon as they become available: unitedwaytopeka.org/about/financials.
