A Safe Place to Learn and Grow

Erika* knew something needed to change. After suffering domestic violence at the hands of her partner, Erika worked up the courage to report her abuser and have him removed from her home.

Erika's son was a four-year-old attending Pine Ride Prep Preschool. Erika says she found the strength and confidence to report her abuser because she knew her son was in a safe, secure school setting. Pine Ridge Prep was there when she needed it most.

Erika's son has shown a 100% improvement in his skills thanks to the safe, highly qualified, and caring educators at Pine Ridge Prep.
