Virtual Trivia

Supplies Needed:

- A set of trivia questions. They can be work-related or can come from other topics of interest – sports, music, film, history, science, and geography are all popular. The following websites can get you started:

— <https://www.triviawell.com/>

— <https://trivia.fyi/>

- Digital platform that is available to all participants. Could be your company intranet, a page on Microsoft Teams, Google Drive, etc.

Instructions:

- 1** Send an email to invite employees to participate; via email, posting on the company intranet, on a page in Microsoft Teams, or Google Drive. Also inform them of the entry fee to participate and how to pay the fee.
- 2** Decide what platform you will use to post your trivia questions. Create questions and answers. Questions can be multiple choice or fill in the blank to make it more interesting for your participants.
- 3** Advise participants to alert you via the digital platform you use as soon as they have an answer. The first correct answer wins so pay attention to whom provides the correct answer first!
- 4** Email employees to advise them of your schedule and what platform you will use so that they can anticipate each trivia question.
