A Safe Place to Learn and Grow

Erika* knew something needed to change. After suffering from domestic violence at the hands of her partner, Erika worked up the courage to report her abuser and have him removed from her home.

Erika's son was a four-year-old attending Pine Ridge Prep Preschool. Erika reported that she drew her strength and confidence in being able to report her abuse from the fact that her son was in a safe, secure school setting. Pine Ridge Prep was there when she needed it most.

Erika's son has shown a 100% improvement in his skills thanks to the safe, highly qualified, and caring educators at Pine Ridge Prep.
